Payment details

You can receive payments for claim settlement direct to your chosen bank or building society account, helping to make settling your claim safer and more timely. This simply means that instead of posting a cheque to you we can automatically pay your claim by BACS (Bank Automated Clearing System). BACS normally enables a cleared payment to reach your Bank account three working days after Bupa has processed the claim for payment. Payments into a Building Society account may take a day longer. Written advice of payment will be posted to you.

Please let us know if you would like to receive payment via BACS or cheque.

Cheque BACS

If you have opted for payment by BACS please provide the following details.

Account holder name

Account number

Sort code - -

Please be aware that the quickest method of receiving funds is by BACS payment as these are normally received within three working days of the claim being finalised. We are able to pay by cheque but this may cause delays in you receiving reimbursement of eligible claims.

As the main member under the scheme, I hereby authorise Bupa to direct payment to the bank account specified above.
