

Discounts on cancer checks for Towergate Health & Protection customers

Check4Cancer offers a range of affordable fast access cancer tests which cover the six most common cancers in the UK.

- Five of the seven cancer screening tests are done in the comfort of your own home
- Includes personalised screening programme
- Full clinical support, advice and referral

With early detection being so critical to the successful treatment of cancer, Check4Cancer's fast access cancer tests offer a quick and convenient way to take control of your personal health.

Customers of Towergate Health & Protection can take advantage of a 10% discount on any Check4Cancer test.

1 in 2 people born after 1960 will get cancer during their lifetime. Early detection may save a life

Check4Cancer are a clinically led company who have provided over 50,000 cancer checks
